

59th Southwest Regional Meeting  
of the American Chemical Society

# "Partnerships in Chemistry"

October 25-28, 2003

The Westin Hotel

Oklahoma City, OK

## Symposia:

- Innovations in Chemical Education
- Critical Issues at Industry/  
Academic/Government Interface
- Functional Polymeric Materials
- Catalysis for the 21st Century
- Environmental Analysis and Monitoring
- Regional Industrial Innovation

## General Sessions/Posters:

- Analytical Chemistry
- Biochemistry
- Inorganic Chemistry
- Organic Chemistry
- Physical Chemistry
- Chemical Education
- Undergraduate Research

General Chair: Michael Ashby,  
405-325-2924, mtashby@ou.edu

Program Chair: Roger Frech,  
405-325-3831, rfrech@ou.edu

Abstracts submission opens on  
June 23 and registration opens live  
on the web on July 17.

Oral and Poster contributions from all areas of Chemistry are welcome.
